Forager's Tea Blend **3.0**

All our coffee is ethically sourced, roasted and distributed from field to cup by The Coffee Officiiana. Just like any crop, coffee is seasonal and today we are brewing the Fiori Espresso Blend, a 34% mix of Samambaia (Brazil), 33% of Mugonero (Rwanda) and 33% of Todosantarita (Guatemala) giving a dark chocolate and cherry aroma with stewed apricots peach and delicate floral undertones.
